Dear Sir:

In response to the final Office Action mailed 28 February 2003, please amend this application as follows:

IN THE CLAIMS:

Without prejudice or disclaimer, please amend claim 1 to read as follows:

1. (further amended) A method for storing and retrieving consumer-transaction information, the method comprising the following steps:

(a) during a first transaction by a consumer at a first merchant, capturing transaction information regarding said transaction from a card presented by said consumer identifying said consumer but lacking memory updated to record said first transaction;

(b) storing captured said transaction information on a server; and
